Comments about Blast 2006

Bob Adams of Wings Bearing Precious Seed wrote, "What a wonderful moving of the Spirit in the meetings this year and down on the street. The air of the meetings was a Spirit of revival and not one making a name for oneself. We continue to pray that God's Word will work in the hearts and lives of those on Beale Street who heard and may they receive it and free them from the mire and filth of this world."

Fred Knapp of New York City wrote, "Just wanted to write a short email expressing my appreciation for the recent Beale Street Blast. I had never experienced anything even remotely close. Possibly the most incredible thing about it was the fellowship-to see so many people get along like they were life long friends. Also the intensity of the singing was unbelievable. I expected hearty singing, but I was blown away that I could not hear my own voice. . . The teaching seminars were excellent as well. . . the information and advice being just about impossible to find. It was a great encouragement to me to be on the streets with other like-minded people. . . trying to shed some light in a dark place."

The Miller family of Ohio wrote, "Thank you both so much for all your efforts and work for the Beale Street Blast! Our family enjoyed it so much and hope to return annually until the Rapture! The world, who thinks Disney World is the ultimate family vacation, doesn't know what they are missing! This was better than a vacation. The

Lord's work is such a blessing! We appreciate the efforts to see souls saved, and would like to help out if there is anything we can do from out of state. We live in KY now, but are looking to move to Ohio this year. **You just have no idea what attending Beale Street meant to us.** Thanks again for your efforts."

Esther Musgrave wrote, "Our presence held the people in their guilty conscience and just dampened the whole mood and activities on the street. We marched down the street through their street party with a parade of our own carrying 15 to 20 banners. While marching we sang Victory in Jesus and Onward Christian Soldiers stopping every few feet for men to preach in the front, back and off the sides of our group. Others of us would pass out tracts and witness to those who walked by. **Our presence caused quite an uneasiness, which I saw first hand as I tried to give a middle-aged man a tract. The man jumped back and quickly headed in the opposite direction.** How sad to see the rejection of the One who can set them free from their bondage."

Freida and I want to thank these soldiers for their comments and want to say we bless the Lord for giving us the opportunity to help make the Blast a reality. We hope you'll come if you can and pray and fast if you will that the Lord will save souls this year.

In the name of our God, we will set up our banners. Psalm 20: 5.

BEALE STREET BLAST

MAY 3-6, 2007

The time of the 8TH annual BEALE STREET BLAST is rapidly approaching. Make your plans to attend now.

The BEALE STREET BLAST is a teaching event sponsored by Banners Unfurled, Bro. Ken Lansing, New Hope Baptist Church, Bro. Steven Matheson, Millington, TN, Bible Baptist Church, Bro. Dennis Black, Bolivar, TN, Bible Baptist Church, Bro. Ken McFadden, Searcy, AR, & Grace Bible Baptist Church, Bro. Jerry Hickson, Halls TN.

Our goal is to train and equip Christians who want to learn public evangelism using banners as a tool to draw people's attention.

The BLAST is a high intensity weekend conference filled with soul stirring singing and preaching, and breakouts with various topics of instruction you can choose from all led by seasoned street preachers that have at least 100 years of experience between them. The highlight of the weekend though is taking what you've learned and

spending 7-10 hours on the street preaching and witnessing to a crowd of 100,000 at the Beale Street Music Festival. The entire weekend is to help you learn how to communicate the gospel boldly, effectively and lovingly in a public setting.

The preachers this year include:
Nico Verhoof - Switzerland and
Earl Ankrom, Dennis Black, Jimmy Hood, James Lyman, & Steven Matheson

Some of the breakouts covered this year will include: How to witness publically to Mormons, Importance of getting your youth on the street, Using Banners effectively, Street Work Overseas, Public Ministry through Parades..

Held at the Mid South Baptist Conference Center (a Baptist Campground), it is a weekend that will change your life and that of your church. The entire weekend is reasonably priced and includes lodging at the conference center and all meals.

Registration information is available online. at www.bannersunfurled.org
